Dear Parent/Caregiver,

This is an update on where we are up to in terms of your child's Futures Planning journey ready for 2019. The following events have already taken place:

- Our Parents Information night back in week 3 was greatly supported.
- The 2018 Careers Expo
- An introductory PC session for Year 9, 10 and 11 students to introduce the Futures Planning process.
- Students busily accessing the Course Handbooks for 2019 since the start of this term.

We are now at the stage where students will be able to select their 2019 subject selections. Over the next week we will meet with students in Year 9, 10 and 11 to outline the process. They will also receive an information sheet to support them.

If you have concerns regarding your child's subject selections for 2019 or their future plans, please feel free to make an appointment to see one of the faculty leaders listed below during Parent Teacher Interview week.

Faculty Coordinators:

Karen Slattery (English and LOTE)
Justin Lodge (Mathematics)
Clay Reid (The Sciences and SACE)
Nick Jackaman (Humanities)
Katie Liebelt (HPE)
Mark McCarthy (Technology)
Dan Bradley (The Arts)

If you have concerns regarding the online selection process please Daymap message or email Luke Mensforth (luke.mensforth612@schools.sa.edu.au). Any other concerns, do not hesitate to contact Rachelle Maynard via Daymap message, email (rachelle.maynard300@schools.sa.edu.au) or phone.

We look forward to working further with you to ensure your child is fully supported through these lifelong decisions.

Regards,

Rachelle Maynard
