

# CHS Fundraising & Events Committee

After the huge success of our inaugural 2017 CHS Fundraising & Event Committee we have seen the erection of our student Bus Shelters. In 2018 our CHS Fundraising & Events Committee have put together a range of fundraising events. We are committing our funds raised to the upgrade of outdoor play spaces.

We are looking for families to volunteer to assist us with the running of these – through helping with organisation or donations. Please indicate below which event your family will be able to assist with or contribute to in 2018 and return to Student Services – Katie Liebelt
