Critical to the success of our Transition Program is the ability to work closely with the feeder Primary School teachers and Principals. This includes meeting in Term 2 and Term 4 to share information about individual students and their learning, wellbeing and social needs. Information provided by parents is also highly valued and I encourage you to put much thought into your Parent Information Sheet.

You will receive further Transition correspondence in Term 3 and Term 4. This information will be forwarded to you via email and through the Primary Schools. I invite you to also visit our CHS Website (www.clarehs.sa.edu.au) to view our various CHS policies, canteen and uniform price lists.

If you have any further questions about any aspect of the CHS Transition Program please do not hesitate to contact me - katie.liebelt326@schools.sa.edu.au or at Clare High School on 88422788.

Yours Sincerely,

Katie Liebelt
