## Year 11 Grades Admissions Pathway Scheme

We understand COVID has continued to disrupt the teaching and learning experience in schools. We will continue to offer the [Year 11 Grades Admissions Pathway](#) for your current Year 12 students. Applications close on 30 September.

## On-campus living options

[Flinders Living](#) is conveniently located on-campus. Students can travel to the city in 20 minutes by train, or to the beach in 15 minutes by bus. Flinders Living offers two experiences: the catered, collegiate-style University Hall and the self-contained units of Deirdre Jordan Village. Our community is made up of 65% students from Australian rural and metropolitan areas and 35% international students from over 20 countries.

## Scholarships

With over 450 [scholarships](#) worth \$2.4M, Flinders can help your students make the most of their transition and university experience. We have a wide range of University, government and non-government scholarships available for commencing students.
